EVENTS

Gym For All Symposium

Capital GymSports was happy to host the Gym For All Symposium over Labour Day weekend in October. For the first time this symposium came to Wellington with 60 recreation coaches from across New Zealand, and the Cook Islands.

This event was a fantastic opportunity for our coaches to network, share ideas and learn about preschool coaching, tumbling, circus skills in gymnastics and so much more

MANY THANKS to everyone who supported our fundraiser with a generous donation!

We have decided that this money will go towards a new set of foam blocks. This is a great piece of new equipment and will benefit all our classes.

Princess & Superhero Competition

Last Sunday our gym was filled with little superheros and princesses. We were very happy to welcome 125 children to our GFA & Excel competition. A big thank you to all parents helping with the canteen and the sausage sizzle, thanks to everyone for donating food. Last but not least, thank you for joining this FUN event. We are looking forward to many more in the future.
